

SUPER SHOT Deluxe Standard Features:

A Moving Backboard!

Backboard moves to create four different game options:

- **Continuous** - Backboard moves back and forth throughout game play
- **Classic** - Backboard stays up front until the end of the game when it moves to the rear
- **Push Back** - Backboard moves in increments after each successful shot
- **Random** - Backboard moves back and forth randomly

Basket counts 2 or 3 points, depending on the position of the backboard (rear of game = 3 points).

Linkability!

Games can be linked together so that two to six players can compete against each other simultaneously!

Dot Matrix Display:

Keeps players and crowd entertained and informed of game status, including scores of other players on linked games and player's finishing position at game end.

State of the Art Sound System

Game music, announcers, crowd and other great sound effects.

Larger Basketballs for More Realistic Play!

Uses either 9" junior size or 7" mini basketballs.

Sturdy, Attractive Construction

Includes 1 3/4" steel framework, steel netting panels, wooden side panels, wooden basketball flooring and lighted crowd scene behind clear backboard.

Optional Features for Both Models:

- **Super Shot Super Jackpot!** - Up to 6 games can be linked into an impressive progressive jackpot which features neon and chaser lights. The sign displays both the score required to win and the number of extra tickets which can be won. A super attraction for a bank of Super Shots!
- **Super Shot Automatic Prize Dispenser** - Allows Super Shot to dispense a variety of encapsulated prizes directly to players, including T-shirts, key chains and other novelties! Prizes prepackaged in dispensing canisters are ordered separately.
- **Ticket Dispenser**
- **Dollar Bill Acceptor** - (\$1 and \$5 bills)

**PRIZE
DISPENSER!**
