Designed to Move

With its lightweight design and easy-grip handles, the Premier 80 offers the ultimate in portability. And with easy rolling wheels, the Premier 170 and 350 can be positioned easily. Plus, new bumpers / lifting handles make loading & unloading a cinch.

Easy to Set Up and Operate

All our Premier heaters arrive ready to use. And Premier heaters are extremely easy to operate.

The Premier's compact, remote thermostat allows you to manage temperatures where activity is. And the advanced, newly improved Service Saver feature makes maintenance a breeze.

The Leader in Safety

Premier heaters are equipped with an array of safety features for tent heating, including:

- A totally enclosed flame
- Built-in temperature management
- Air flow safety devices
- Fully enclosed electronics

In addition, all L.B. White Premier heaters are certified to meet or exceed CSA U.S. and Canada safety standards.
