

The Dog Hut™ Hotdog Steamer & Merchandiser

The Dog Hut™ is intended to set the standard par excellence for hotdog steamers. It will be ideal for use in rental shops, convenience stores, concession stands, vending carts, break rooms, fast food restaurants, snack bars, cafeterias and many others!

The Dog Hut™'s High Quality Features:

- Heavy Duty 20 gauge stainless steel construction throughout makes The Dog Hut™ the most durable hotdog steamer in its class.
- Removable product trays and sliding doors allow for easy access to hotdogs and buns and makes for simple easy clean up. Dishwasher safe!
- Revolutionary proprietary heating system featuring heavy duty submersible stainless steel element and automatic shutoff feature when water gets below a certain level.
- Low water Indicator light and illuminated ON/ OFF switch.
- Variable adjustable thermostat increases versatility of The Dog Hut™ being able to perform in any and all cooking and holding conditions.
- Accommodates any size hotdog (or sausage) and bun holding up to a maximum of 200 hotdogs and 42 buns.
- Eight quart water reservoir for increased holding times is the largest in the business! Plus, the quick turn water release valve eliminates burned fingers and spilt water.
- Standard divided hotdog tray accommodates any size hotdogs and sausages and allows for various sizes of hotdogs or sausages to be cooked and merchandised simultaneously.
- Strikingly brilliant graphics on both sides allow for either front-counter or rear-counter merchandising.

Five-year Warranty! The DogHut is fully warranted for up to 5 years - the best in the business.
