Accessories:

Premium Weight Bag (Set of 4 Weight Bags) for Any Canopy or Tent

These weight bags are the best around and are made out of quality material. The weight bags hold up to 25 pounds on sand, rock, or dirt and are perfect for all surfaces. There is a Velcro strap that is attached to each weight bag as it wraps around the leg to your canopy, thus allowing it to withstand high wind and other weather elements!

Universal Deluxe Stake Kit

4 predrilled holes and fitted hitch pins allow for complete adjustability during spike installation.

Each Universal Deluxe Stake Kit includes:

- 4 Stakes,
- 4 fitted hitch pins and
- Velcro topped transport bag.

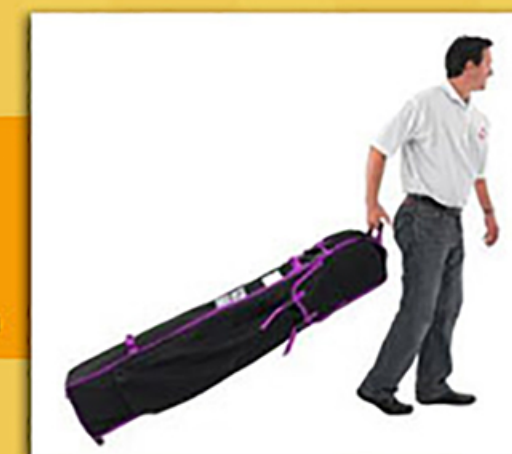

8' Sidewall for 8' x 8' Canopy

This polyester sidewall offers privacy and extra protection from the sun and rain. Fire CPAI-84 and water retardant. Made out of 500 Denier weight fabric.

Heavy Duty Roller Bag 10'

- 2 oversize storage pockets to carry sidewalls and accessories
- Business card protective pocket for clear identification during transportation
- Internal Velcro Spike Pocket
- 2 oversize rubber carry straps attached to the bag with high strength webbing for easy lifting
- 2 extra strong nylon roller wheels for easy rolling of any canopy on most surfaces
- Draw String bottom to ensure accessories can be transported safely
- Heavy Duty Zippers Enclosures
- Universal size will fit most Instant Canopies, Pop Up Shelters and Tents
